Today we brought a well-developed game in defense of the tower with a vertical screen for lovers of tower protection. This is a vertical game with a simple operation. Bad zombies want to conquer the gardens, farmers grab their weapons to protect their land. We will meet, welcome and defeat the legions of Alleri Zombies. We combine a wonderful special weapon (some plants and vegetables), exceed a zombie with carrots, green paprika, watermelon, durian and several other plants or vegetables and invented a final plan for protecting residence and garden. The zombie will begin with Fortec and go to the residence and the garden. To eliminate these zombies and protect the property and garden, we must use vegetable weapons with many levels and functions. The game has dozens of plant weapons.

The simplest vegetable weapon is carrots, take the carrots and break the zombies until the zombies are destroyed, or throw the ice into the head of the zombie to slow it. Zombies do not like ice cream. Durian is a delicious plant, but for a zombie Durian is a nightmare. Not only do they encounter a zombie with a serious blow, but the smell of Durian will make the zombies move more slowly. Use vegetables like weapons to break a zombie, but you will use anxiety to break zombies in your heads or durian for more funny, or more fun, or more fun, or more fun, or durian to get more pleasure, or more fun, or durian to have fun, or
