Post Here. Download Update (2.3.4 Support) Download Mirror 1 Mirror 2 Jargs and his Ultimate Repack is Awesome!!! Last edited by Hotelcreator14: 22-11-08 at 07:24 PM. Reason: Update 10-11-08 #2 Looks interesting P.s - \* Moon++ Scripts (This means all instances should be scripted) - They should be scripted, but are they? Also ArcEmu isn't the best choice for Repacks but anyway, looks good. Too bad i uninstalled my WoW client already (cry) +Rep to person who created this. 12-11-08 #3 can somebody mirror AC Web Ultimate Repack 7.8 somewhere else but mediafire? is mediafire down atm...? 7 megaupload is nice thank you very much before.... 13-11-08 #4 this is like, ages old... 22-11-08 #5 Originally Posted by zingmars Looks interesting P.s - \* Moon++ Scripts (This means all instances should be scripted) - They should be scripted, but are they?
